## Poise and Confidence

*Poise*  
"Just be yourself"

*Confidence*  
"You must believe in yourself if you expect others to believe in you"

"Success is happiness in your heart, because you made the effort, 100%, to do your best!"

-John Wooden

### Poise – "Just be yourself"

Who *you* are is a gift, so be yourself! Do not act or pretend to be something you're not. When you are yourself and make the effort 100% to be the best you can be, you are a success. Your goal is not to satisfy the expectations of others but to satisfy your own expectation. So set them high! Give your total effort to becoming the best you are capable of being. It takes Poise to accomplish this.

### Confidence – "You must believe in yourself if you expect others to believe in you"

Have faith in yourself and what you can achieve. Poise and confidence are achieved with proper preparation; every block is built with the others. When all are in place, Poise and Confidence result. They happen naturally from proper preparation.
